

Our dog Kenzie, an eight month old west highland white terrier, went through Don and Julie's resident training at Rush Lake Kennels in early 2009. After an in home consultation with Julie, we were invited back to attend the advanced dog training class that qualified Kenzie for her AKC Good Citizen Certificate.

We are very pleased the results we have received from Rush Lake Kennels. Don and Julie were always willing to answer any of our questions and concerns. They have a great knowledge of dogs and really do love them. We felt very comfortable leaving Kenzie with them for the six weeks that she was there. During that time we also had our own sessions with Don and Julie, where they trained us on how to properly handle our dog and keep up her training. They showed and explained how to use all of the training aids and made sure we felt comfortable with them. We learned all the basic commands and it has made it easier for us to teach her others things.

We are able to take Kenzie around children, other dogs, and new environments and feel comfortable that she will be on her best behavior.

We highly recommend Rush Lake Kennels for all of your dog training needs, and are confident that you will be just as pleased with the results as we have been.

Thank you Don and Julie for taking the time to train all of us,

Mallory, Jason and Kenzie
